INDICAZIONI PER LA RICHIESTA DI PARTI DI RICAMBIO

Il presente CATALOGO RICAMBI costituisce parte integrante ed essenziale del prodotto.

Esso è composto da una serie di TAVOLE raffiguranti le varie parti della macchina comprese le versioni a richiesta.

Ogni tavola è accompagnata da un elenco dal quale ricavare, in corrispondenza di ogni numero che identifica un pezzo, il CODICE, la QUANTITÀ e la DESCRIZIONE.

Individuare la tavola relativa alla parte della macchina nella quale si è verificato il guasto e rilevare il numero di figura del pezzo di cui chiedere il ricambio.

Dall'elenco rilevare il codice per l'ordinazione e la quantità. Per ogni richiesta di ricambi devono essere forniti i seguenti dati:

Modello di macchina; Matricola; Codice del Catalogo Ricambi; Codice della Tavola di riferimento; Numero della figura; Codice del pezzo; Quantità di pezzi di ricambio desiderati;

HOW TO ORDER SPARE PARTS

This SPARE PARTS CATALOGUE is integral and essential part of the product.

It is inclusive of a series of TABLES representing the various parts of the machine, including versions on request.

Every table is followed by a list from which you can take the CODE, the QUANTITY and the DESCRIPTION of the piece marked with a reference number on the figure.

Find the table referring to the defective part of the machine and look for the reference number of the piece to be replaced.

Use the list and find the relevant code and the quantity to be ordered.

When requiring spare parts, always provide the following information:

Machine model; Serial number; Code of the Spare Parts Catalogue; Code of the reference Table; Figure number; Part code; Quantity of required spare parts.

HINWEISE ZUR ERSATZTEILBESTELLUNG

Der vorliegende ERSATZTEILKATALOG stellt einen ergänzenden und wesentlichen Teil des Produkts dar.

Er besteht aus einer Reihe von TAFELN, die die verschiedenen Teile der Maschine darstellen, einschließlich der auf Anforderung erhältlichen Versionen.

Zu jeder Tafel gibt es ein Verzeichnis, aus dem sich über die Kennnummern der einzelnen Stücke die ARTIKELNUMMER, die MENGE und die BESCHREIBUNG ablesen lassen.

Die Tafel mit dem Maschinenteil, an dem ein Defekt aufgetreten ist, aufsuchen, und die Abbildungsnummer des Teils, das ausgewechselt werden soll, ermitteln.

Im Verzeichnis die Bestellnummer und die Menge ablesen.

Bei jeder Ersatzteilbestellung müssen die folgenden Daten angegeben werden:

Modell der Maschine; Fabriknummer; Codenummer des Ersatzteilkatalogs; Codenummer der betreffenden Tafel; Abbildungsnummer; Artikelnummer; Anzahl der gewünschten Ersatzteile.

INDICATIONS POUR DEMANDER DES PIECES DE RECHANGE

Le présent CATALOGUE DES PIECES DE RECHANGE fait partie intégrante et essentielle du produit.

Il comprend une série des TABLEAUX représentant les composants divers de la machine, y compris les versions sur demande.

Chaque tableaux est suivi d'une liste qui permet d'identifier le CODE, la QUANTITE et la DESCRIPTION de la pièce, dont le numéro de référence est indiqué sur la figure.

Cherchez le tableau relatif à la pièce défectueuse de la machine et, par la suite, le numéro de figure de la pièce que vous devez remplacer.

Ensuite cherchez sur la liste le code de référence de la pièce et la quantité pour la commande. Pour chaque commande de pièces détachées, il faut nous fournir les données suivantes:

Modèle de la machine; Numéro de série; Code du Catalogue des Pièces de Rechange; Numéro du Tableau de référence; Numéro de la figure; Code de la pièce; Quantité des pièces de rechange requises.

INDICACIONES PARA PEDIR PIEZAS DE RECAMBIO

Este CATALOGO DE PIEZAS DE RECAMBIO se considera parte integrante y esencial del producto.

Está formado por una serie de TABLAS que representan las componentes distintos de la máquina, incluidas las versiones bajo pedido.

A cada tabla le corresponde una lista que permite identificar el CODIGO, la CANTIDAD y la DESCRIPCION de la pieza cuyo número de referencia se encuentra en la figura.

Individúe la tabla relativa al componente de la máquina dañado y busque el número de figura de la pieza que desea pedir.

Sobre la lista, individúe el código y la cantidad para el pedido.

Cada pedido de piezas de recambio debe ser completado con las siguientes informaciones:

Modelo de la máquina; Número de matrícula; Código del Catálogo de Piezas de Recambio; Código de la Tabla de referencia; Número de la figura; Código de la pieza; Cantidad de piezas de recambio deseados.
